What's the Racquet?

INFO ON EVENTS, PLAYERS, AND OVERALL FUN STUFF HAPPENING AT ROGER SCOTT

G'Day Mates,

Fall is in the air…….in northern Canada. Summer storms are still running through and it's make-up match mania! Hope you all had an amazing summer. We sizzled right along with summer camp, junior clinics/tournaments, a new parking lot, all the fixins of adult USTA, and beat the heat with our Wimbledon Tournament. Now for some cooler temps (eventually) MORE TENNIS (maybe an American US OPEN winner?!) & sprinkle in a little football... I've already apologized to Diana in advance for my football intake….key to a happy marriage, apologize wayyy before you know you will mess up!

COURTS

Yes, it has been difficult to get courts. Yes, they are all getting booked up by you all as soon as they are available. With Ladies League, USTA, and Under the Hill, it will continue to be a challenge on certain days and times. You might have to be a little flexible; we are a happening spot!! Every day up here is different, some days we have five matches, some days ZERO. PLEASE, cancel your courts if you can't make it! That goes for USTA, social, leagues, etc. Also, please don't walk out on the courts until it is your time to play if there is a lesson or social play going on before. It's the one complaint I constantly get. People are paying good money for lessons & memberships. I promise they don't want you to sit on their bench at 8:40 am when you don't have the court until 9 am. If the court is open, of course get out there early & rip 'em!

SHOES

Hard Courts, wear whatever you want. Your ankles, not mine. Just no rollerblades, ice skates, or cowboy boots. Clay courts, please wear tennis shoes. Running shoes tear up the clay and the lines. Help hold each other accountable!

PRO SHOP

We have all the latest and greatest from Wilson in our store. Plenty of shoes, racquets, grips, clothes, and bags for you to feel good and play good! And as always, if you want something you can't find in the shop, we are happy to order it for you at no extra charge. We price match on all racquets and will include free string and stringing; ya don't get that at the big box retailers!

ALCOHOL

Yes, we've been selling beer, wine, champagne, seltzers, etc here for almost 9 years now! Coming off a tough loss? Need to let the edge off before USTA 2.5 mixed? Excited after a big win? Stop on in to see our bartenders at the front desk. Obviously, we pride ourselves in making Roger Scott a very family friendly atmosphere, so we don't have massive beer signs all over the place, but we have the cheapest Mich Ultra and prosecco in town…..from what I've been told.

UPCOMING EVENTS

We have a **USTA L5 Junior Tournament** on September 26th & 27th. **Bud Light** – October 16th and 17th. **Halloween Mixer** – October 30th. **A Hope Aces for Animals Mixer** – November 6th. And I'm sure we will slide a few more in there somewhere!

NEW PRO

We are excited to announce Will Neuner has joined our staff. Will is a native Pensacolian who attended Washington High School and led them to the state championships while playing number one singles and doubles. After high school Will took his talents to South Beach, well Boca Raton, to play tennis for Florida Atlantic University. He was team captain, played number one, and received all conference honors…what more can you ask for!? Make sure to introduce yourself and contact the front desk if you'd like a lesson.

Thanks for reading,
